Dear "To whom it may concern",

I am writing to apply for **Junior Software Developer** position as advertised. I recently graduated with a Bachelor's degree in **Computer Science** from **Swinburne University of Technology in Melbourne**, and I am eager to bring my skills and enthusiasm to your dynamic team.

My academic journey at Swinburne has equipped me with a **strong foundation in computer science, programming, and problem-solving**. Through hands-on projects and coursework, I've developed practical skills and gained experience working collaboratively. I am confident that my education, combined with my passion for staying updated on industry trends, make me a valuable candidate for this role.

I am drawn to this company because of its **commitment to innovation**, and I am excited about the opportunity to contribute to your team. **My adaptability, effective communication, and willingness to learn** make me a strong fit for a fast-paced work environment.

Enclosed is my resume with more details. I'd appreciate the chance to discuss how I can contribute to your team.

Thank you for considering my application.

Sincerely,

Chan Siaw Zheng
